**LEXISNEXIS SENIOR CONSULTANT TO DISCUSS IMPROVING SUCCESS OF
INFORMATION SYSTEMS**

GREELEY, Colo.(2007-04-02 00:00:00.0)

Event:Monfort Institute Lecture Series featuring Chad McAllister, senior solutions consultant for LexisNexis. For nearly 20 years, McAllister has been working directly with customers to develop, integrate, and deploy software systems that meet business objectives and exceed expectations.

Topic:“Improving the Success of Information Systems: A Difference in Understanding Can Have a Huge Impact on Results.” McAllister will discuss strategies to bridge the gap between users’ expectations and their actual level of satisfaction with delivered information systems.

Date/Time/Location:Tuesday, April 3, 9:35 – 10:35 a.m., Milne Auditorium, Kepner Hall,
University of Northern Colorado.

Event Sponsor/cost: Monfort Institute, University of Northern Colorado; no charge for admittance.
